

The Connection Center
Connecting People... Body, Soul & Spirit

Church Pickleball League Team Sign-Up:

Each church team will comprise 6-8 players, who make up three doubles teams with up to two subs. This is a Co-Ed league with no age limit for the participants, so it's open to everyone! You must have at least two female participants per team, but no restrictions on how you partner players. Each church can have more than one team, with a limit of three separately scored teams. Participants for teams can be members from your church or treat this as a community outreach and invite people to be part of your team. You can build relationships and work to invite them to attend church with you. *Each player will need to have our waiver signed before the first match.* (If they are members at The Connection Center, The Rec, we already have their waiver on file.) **The fee per player is \$30.00, including subs. Subs must be listed on your roster.**

To register a church team, fill out the form below and return it with your team's payment on or before January 9th, 2026, at The Rec's front desk. If you have any questions, please contact us directly at 219-987-7729. ***The league starts on January 15th and ends on February 26th, with a league tournament on March 5th. Games will always be in the evening, but exact game times for each team will not be known until after registration.***
